# Carework

The Home Care Hiring Experts

150+ Weeks  
of Data

We update our reporting and metrics for all of our clients on a weekly basis

50,000+  
Applicants

We've processed more than 50,000 applicants for our clients across the U.S.

We function as the recruiting team for our clients, working on various job platforms 7 days a week and personally calling each applicant.

# Our Agenda

**01 CAREGIVER FIRST MINDSET**

---

**02 EVALUATING AD PERFORMANCE**

---

**03 INCREASING % HIRED**

---

**04 RECRUITING IS THE KEY**

THE REAL SECRET IS...

Put the caregiver's needs first.

# Caregiver First vs. Agency First

<b>CAREGIVER</b>	<b>AGENCY</b>
Pay and hiring timeline first	Agency history first
Starting pay listed	Vague statements
Job benefits listed first	Job duties or requirements first
Easy to apply & interview	Lots of tedious steps or hassle

# Writing a Good Job Ad

## → Start Strong

Start your ad with a few quick statements that separate you from the competition.

## → Keep It Readable

Avoid long paragraphs and sentences.

## → Speak to the Caregiver's Needs

Stay in touch with what caregivers are looking for, and speak to those needs directly in your job ad.

# Writing a Good Job Ad

## → Start Strong

Start your ad with a few quick statements that separate you from the competition.

## → Keep It Readable

Avoid long paragraphs and sentences.

## → Speak to the Caregiver's Needs

Stay in touch with what caregivers are looking for, and speak to those needs directly in your job ad.

Secret #1 : Data will tell you *exactly* what to say first in your ads.

# Our Agenda

01 CAREGIVER FIRST MINDSET

---

02 EFFECTIVE JOB ADS

---

03 INCREASING % HIRED

---

04 RECRUITING IS THE KEY

# Evaluating Job Ads

## → Evaluate Monthly

Give new job ads more than a week or two before deciding if they're effective, but don't "set it and forget it".

## → Review Cost Per Applicant & Cost Per Hire

The first step in your hiring pipeline, and key to budget forecasts.

## → Shift Budget to Higher Performing Ads

Once a month, adjust your budget to put more money into well-performing ads.

# Evaluating Job Ads

## → Review Cost Per Applicant & Cost Per Hire

The first step in your hiring pipeline, and key to budget forecasts.

## → Shift Budget to Higher Performing Ads

Once a month, adjust your budget to put more money into well-performing ads.

Secret #2 : Some job boards obscure data that doesn't reflect well on them.

# Key Ad Strategies

## → Post Directly on the Individual Hiring Platform

Most of your quality leads will come from the same few platforms, anyways.

## → Repost Each Ad Every 30 Days

Run 3-4 ads at once and repost a different ad each week.

## → Combine Free and Paid Ads

Different caregivers have different scrolling habits.

# Key Ad Strategies

## → Post Directly on the Individual Hiring Platform

Most of your quality leads will come from the same few platforms, anyways.

## → Repost Each Ad Every 30 Days

Run 3-4 ads at once and repost a different ad each week.

## → Combine Free and Paid Ads

Different caregivers have different scrolling habits.

**Secret #3 : Some caregivers scroll right past paid ads!**

# Caring for Applicants

→ Keep them organized

Don't let caregivers fall through the cracks.

→ Have someone dedicated to this process

It's time-consuming, but it's crucial.

→ Don't forget about the weekends!

Our data shows that **20.33%** of caregiver applications happen over the weekend!

# Your market is YOUR market

- What worked for someone in another town or at another agency may not work for you.
- It will change throughout the years.
- Don't make rash decisions- use your data!

# Our Agenda

01 CAREGIVER FIRST MINDSET

---

02 EVALUATING AD PERFORMANCE

---

03 INCREASING % HIRED

---

04 RECRUITING IS THE KEY

# Don't throw money away

- You can't outspend a broken recruiting pipeline.
- You need to know your conversion rates
- You need to invest time and money into your entire recruiting pipeline.

# What to Track:

Weekly is best, but monthly can suffice

Number of Applicants

+ Cost per Applicant

---

Number of Booked Interviews

---

Number of Successful Interviews

---

Hires

Work backwards to determine cost per hire

# National Data

Average % conversion of applicants to hires

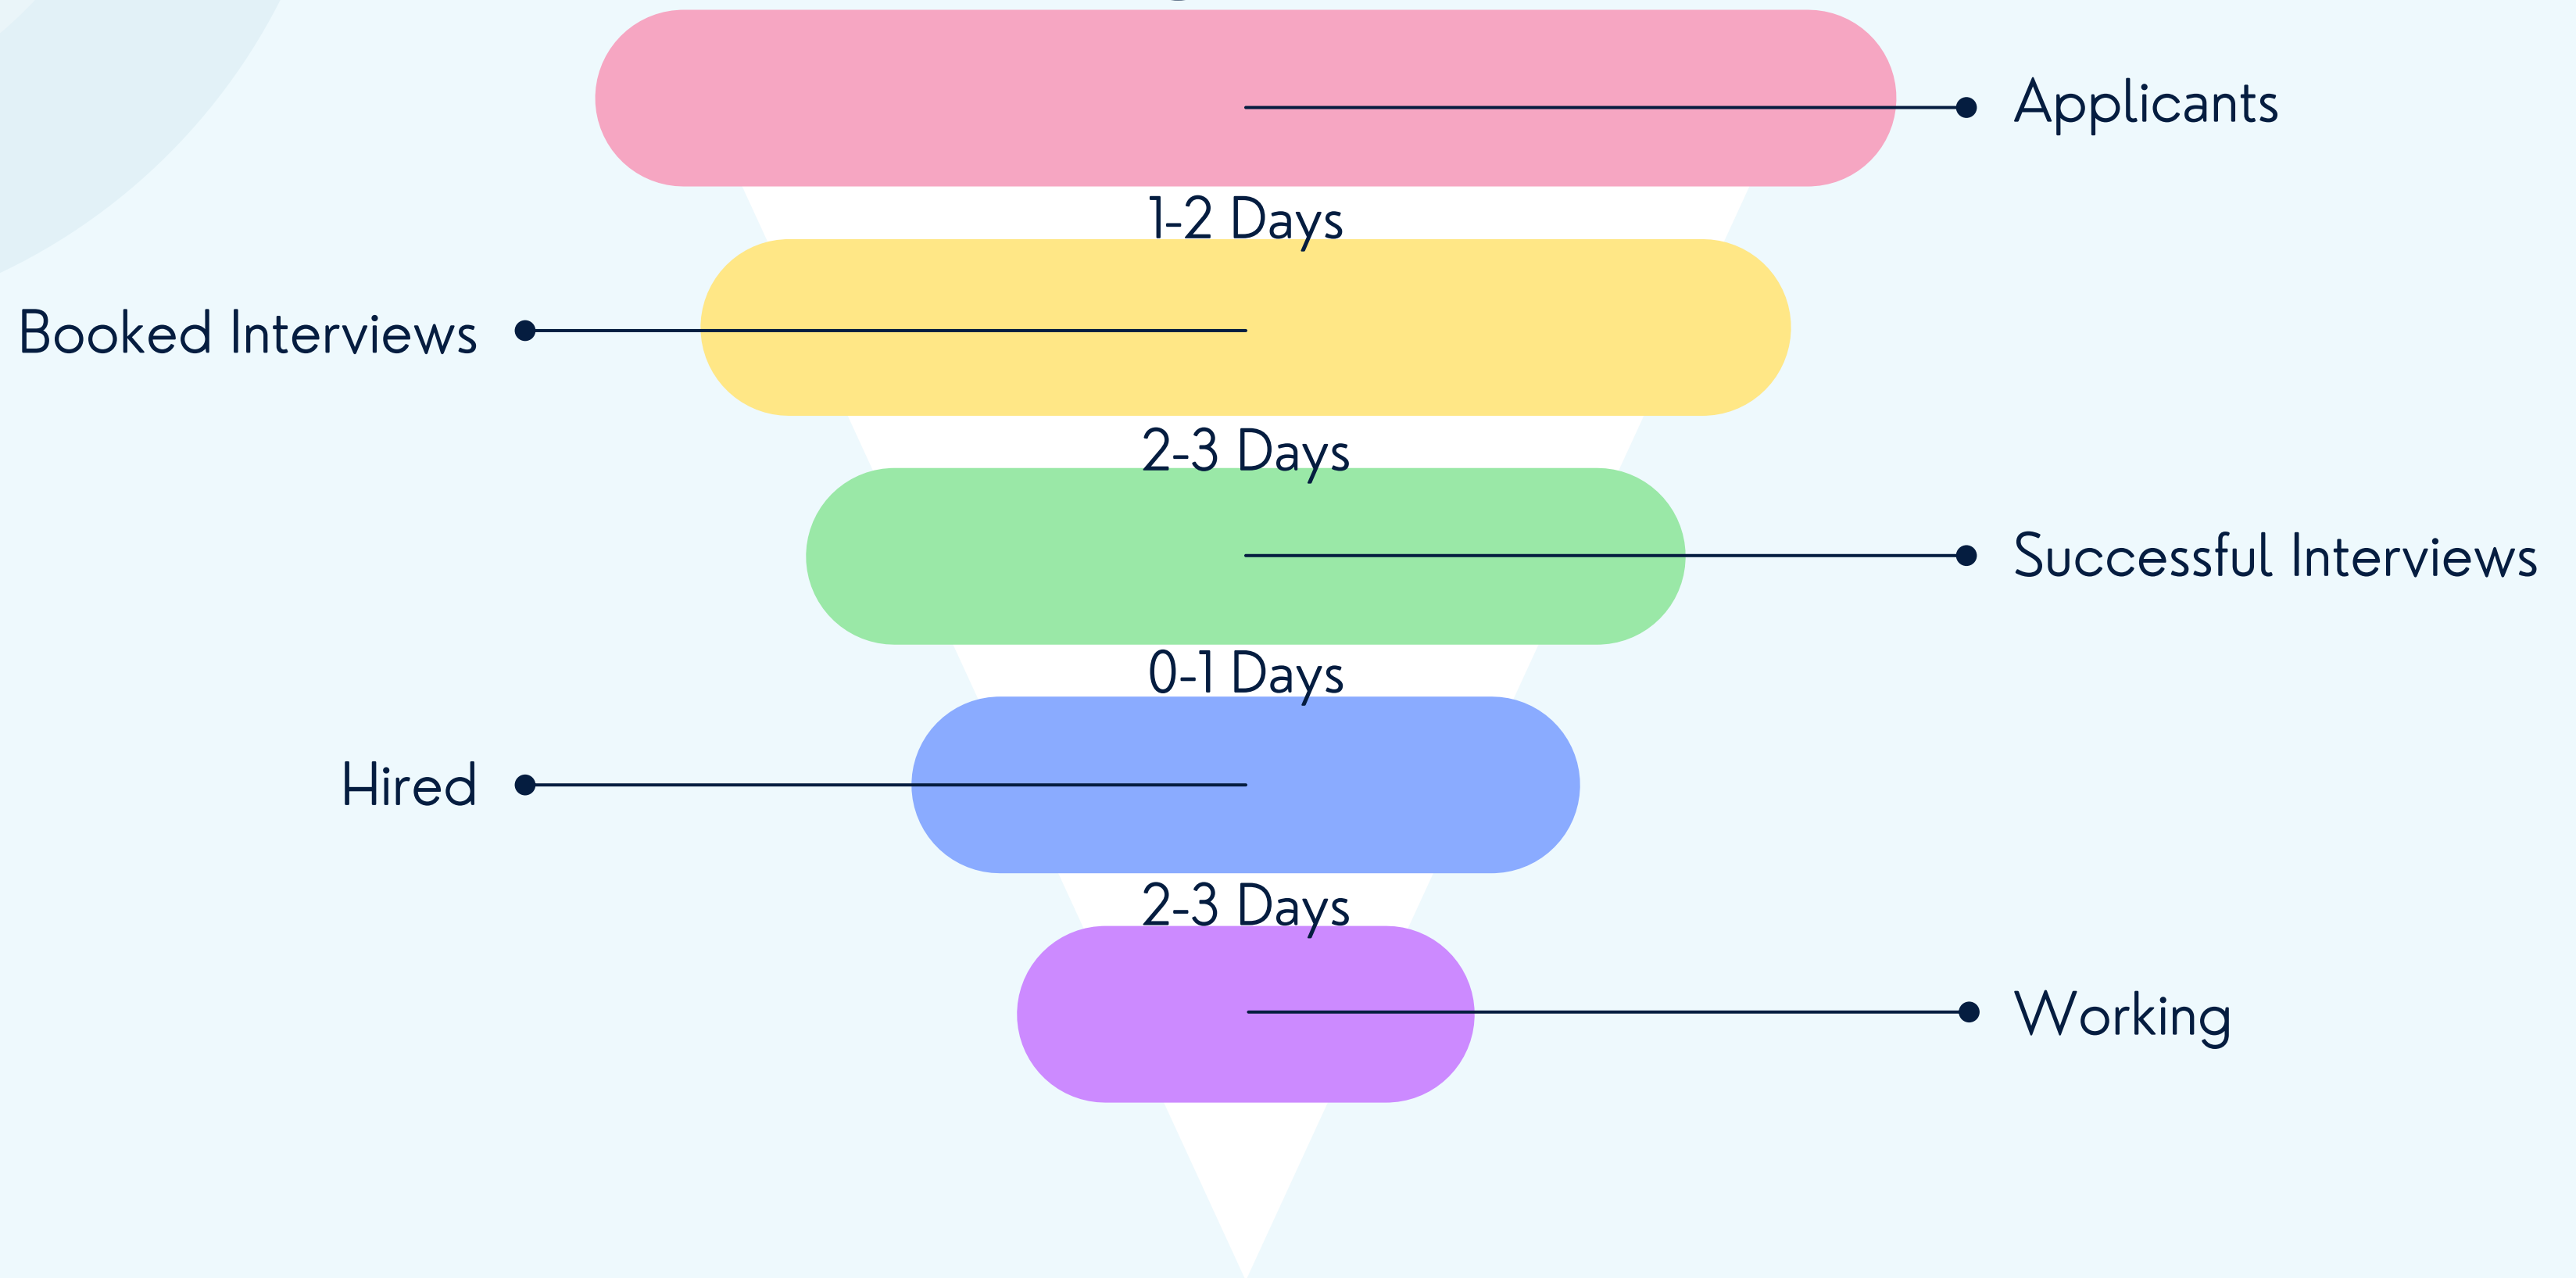

Data belongs to Carework

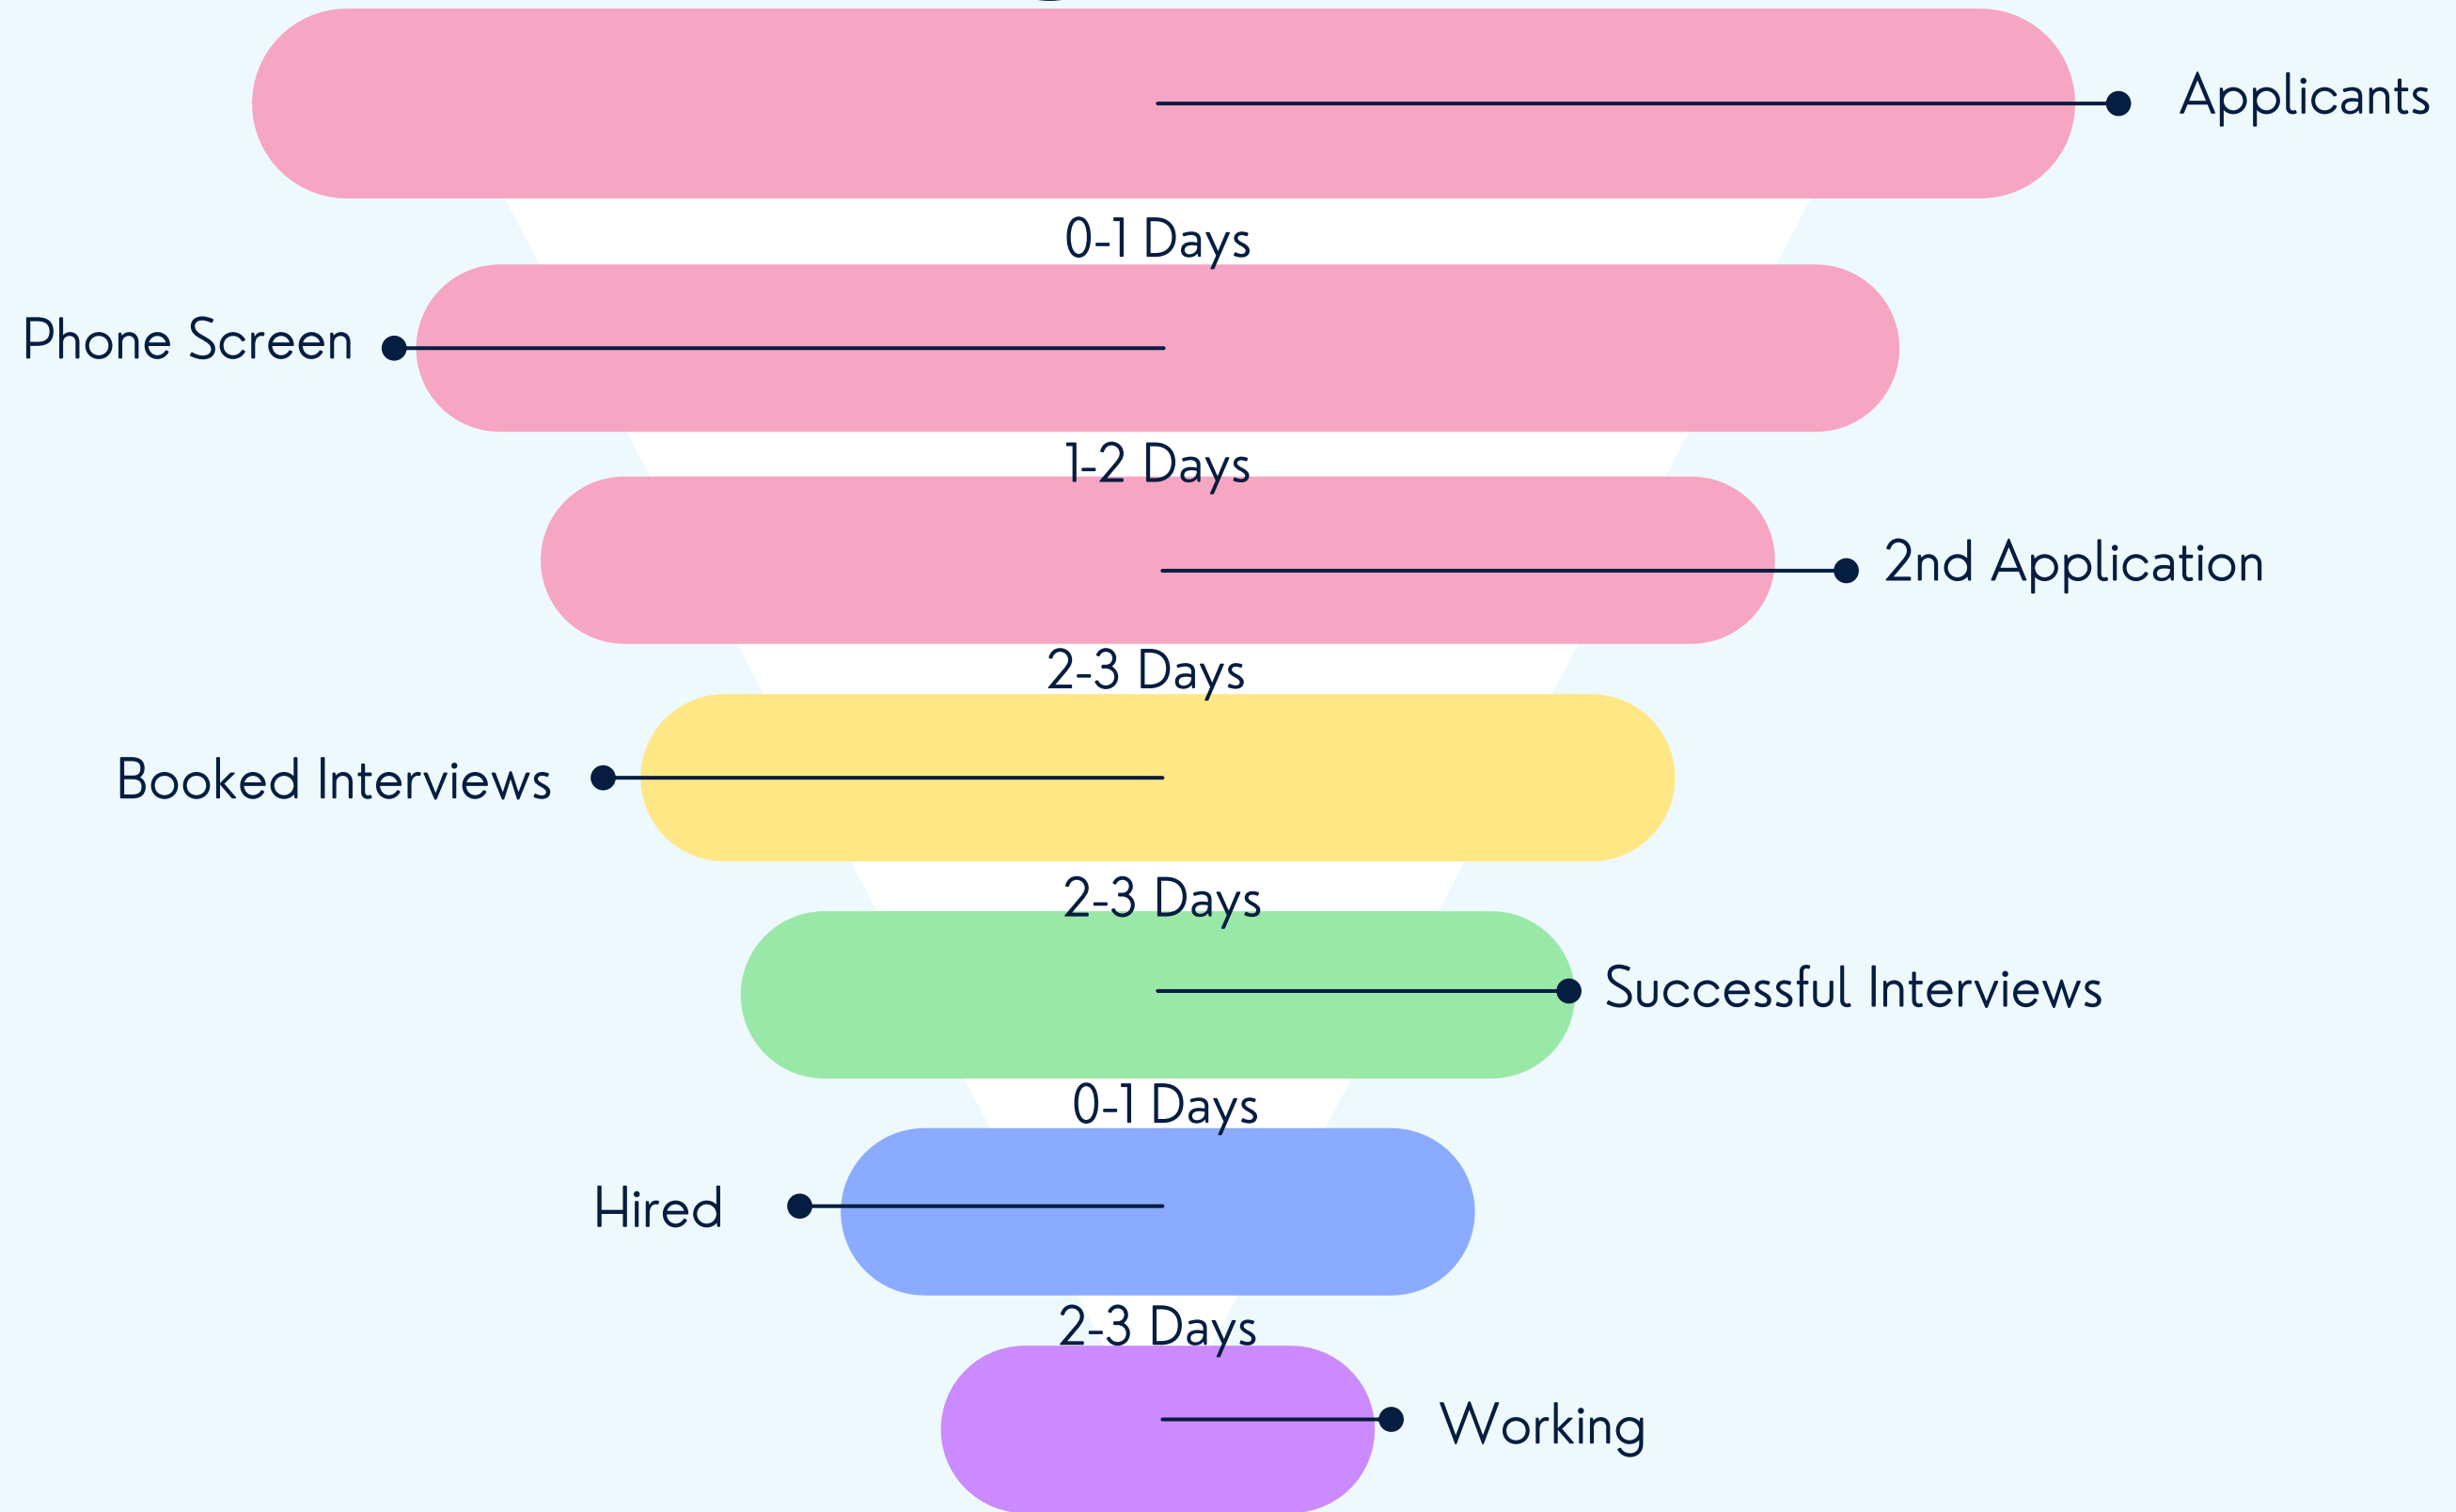

# Hiring Funnel

# Strategies to Streamline

## → 2nd Application : At Interview

Schedule an extra 15 minutes of time and have the application ready for them.

## → Submitting Documents : Optional & Easy Before Interview

Don't let a hassle lead to a canceled interview. Give an easy way for them to submit documents ahead of time, but don't require it.

## → Checking References

Don't withhold a job offer! Do this simultaneously while moving forward in good faith.
