

Role-Specific Hospice Training

COMING SOON

Hospice pioneer, **Barbara Karnes**, has selected Home Care Pulse as the exclusive provider of online courses based on her library of renowned end-of-life materials.

Recommended Caregiver Courses for Hospice Volunteer Training

Home Care Pulse has a robust caregiver library that is meant for the training of career caregivers, patient family and friend caregivers, and hospice volunteers. The following caregiver courses would be an asset to any hospice volunteer training program, providing effective, engaging learning opportunities for volunteer personnel:

- ✔ Understanding Advance Directives
- ✔ Understanding Hospice
- ✔ Talking About Death
- ✔ Emotional Losses in the Elderly
- ✔ Using Technology with Seniors
- ✔ Intimacy in the Elderly
- ✔ Understanding Special Communication Needs
- ✔ Grieving with and for Your Clients

View the complete Course Catalog for even more comprehensive training courses that will meet your organization's volunteer needs. From OSHA-related courses to Toileting Tips to Transportation Safety, our catalog can meet your volunteer needs.
