

CAREGIVER CERTIFICATION

Assign novice caregivers this **8-hour Caregiver Certification Series** in basic caregiving skills (free with e-learning subscription).

BLENDED LEARNING

Take advantage of the industry's only true Blended Learning Plan (a combination of traditional classroom training and online learning). It's **FREE** with all signed contracts.

KEYWORD SEARCHABLE WIKI

Whether on the job or on the run, give caregivers **instant access to important resources** right from their smartphone — with just two clicks!

SECTORS WE SERVE

Courses approved for **CNAs, HHAs, PCAs, and non-medical caregivers** in home care, home health, hospice, ALFs, and hospitals.

KEY COURSES IN SPANISH

Provide Spanish-speaking caregivers with **25+ courses** customized to their unique needs, learning goals, and requirements.

SPECIALIST LEARNING PATHS

Set your agency apart with specialist training in Alzheimer's care, diabetes care, behavioral health, palliative care, and more.

COOKING CLASSES

Assign exclusive cooking courses from the **"Culinary Skills for Caregivers"** series presented by Caregiver's Kitchen.

PERSONALIZE YOUR LMS

Feel free to upload your own courses or employee handbook for **easy access to all your important resources** in one location.

FREE RESOURCE LIBRARY

Free online resource library for supervisors, owners, instructors, recruiters, and HR — to help you **grow and enhance your business.**

SUPERVISOR TRAINING

Enroll new supervisors in this 12-module series designed exclusively to **educate, challenge, and inspire** every new home care supervisor.
