

IS YOUR TEAM PREPARED TO DELIVER

Specialized Care that Can Help Prevent the Spread of Infection?

Assign Home Care Pulse's Caregiver Specialist Training in Infection Control:

- 1** Assign this 8-hour learning path to caregivers who care for clients at high risk for infection.
- 2** Once the caregiver completes the series, he or she will be awarded the **Infection Control Specialist Badge**.
- 3** Then, be sure to tell your referral sources that your organization has caregivers who specialize in **Infection Control!**

Learning Paths are free for unlimited use by HCP Training subscribers. **Not a subscriber yet? Call today to speak to a Program Expert and find out how easy it is to get started!**

Courses in this learning path include:

- Standard Precautions
- Understanding Coronavirus
- An Infection Control Update
- Protecting Clients During Flu Season
- Bloodborne Pathogens
- Understanding Drug-Resistant Bacteria
- Handling Biomedical Waste
- Understanding C. Difficile
- A Tuberculosis Update
