

IS YOUR TEAM PREPARED TO DELIVER

Specialized Care that Can Help Prevent Readmissions?

Assign Home Care Pulse's Caregiver Specialist Training in Preventing Readmissions:

- 1** Assign this 10-hour learning path to caregivers who care for clients at high risk for readmission to the hospital.
- 2** Once the caregiver completes the series, he or she will be awarded the **Preventing Readmissions Specialist Badge**.
- 3** Then, be sure to tell your referral sources that your organization has caregivers who specialize in **Preventing Readmissions!**

Learning Paths are free for unlimited use by HCP Training subscribers. **Not a subscriber yet? Call today to speak to a Program Expert and find out how easy it is to get started!**

Courses in this learning path include:

- Understanding Pneumonia
- Understanding CHF
- Understanding COPD
- Understanding Diabetes
- Helping Clients with Mental Illness
- Common Cardiac Conditions
- Recognizing & Reporting Abnormal Observations
- Understanding Common Medications
- Working with Non-Compliant Clients
- Reducing & Preventing Readmissions to the Hospital
